Author and humorist David Farley has traveled to some of the most amazing places on earth. But along the way, he's also had his share of misadventures. In his new book, *Bad Tourist Misadventures In Love And Travel*, Farley shares his hilarious and sometimes cringe-worthy experiences with wit and self-deprecation.

From getting lost in the Australian outback to being chased by a baboon in South Africa, Farley's misadventures are both laugh-out-loud funny and surprisingly heartwarming. He writes about the time he accidentally offended a group of Maasai warriors in Kenya, the time he got stuck in a mud hut in Uganda, and the time he was robbed by a monkey in India.

But Farley's book is more than just a collection of funny stories. It's also a celebration of the human spirit. Farley shows us that even when things go wrong, there's always something to laugh about. And that even in the most difficult of circumstances, we can find love and connection.

If you're looking for a book that will make you laugh, cry, and everything in between, then *Bad Tourist Misadventures In Love And Travel* is the perfect read for you.
