A Comprehensive Exploration of Connecticut's Birdlife

Birding in Connecticut is the most comprehensive guide to the state's birdlife ever published. Written by renowned ornithologist and author David M. Carroll, the book provides in-depth information on over 330 species, including detailed descriptions, range maps, and stunning photographs. Carroll's expert insights and engaging writing style make the book not only an essential resource, but also a delight to read.

The book is organized by habitat, making it easy to find information on the birds that frequent your favorite birding spots. Whether you're exploring the salt marshes of the Connecticut coast, the hardwood forests of the Litchfield Hills, or the urban parks of Hartford, *Birding in Connecticut* will help you identify and learn about the birds you see.

Essential Features for Birders of All Levels

Birding in Connecticut is packed with features to enhance your birding experience, including:

- **Over 330 species profiles:** Detailed descriptions, range maps, and stunning photographs of every bird species found in Connecticut.
- **Habitat guide:** Comprehensive information on the diverse habitats found in Connecticut, and the bird species that frequent each one.
- **Seasonality charts:** Easy-to-read charts that show when each species is most likely to be seen in Connecticut.
- **Birding hotspots:** Insider tips on the best places to go birding in Connecticut, from coastal marshes to inland forests.
- **Conservation guide:** Information on the threats facing Connecticut's birds, and what you can do to help.

Perfect for Nature Lovers and Bird Enthusiasts

Whether you're a lifelong birder or just starting to explore the wonderful world of birds, *Birding in Connecticut* is the perfect guide for you. With its comprehensive coverage of the state's birdlife, engaging writing style, and stunning photographs, the book will inspire you to get outdoors and discover the beauty of Connecticut's avian treasures.
