A Captivating Account of a Father and Son's Journey to Find the Lost Pathfinders of the Lewis and Clark Expedition

In the summer of 1805, Meriwether Lewis and William Clark set out on an epic expedition to explore the Louisiana Free Download. With them were a group of Pathfinders, Native American guides who helped them navigate the vast and unknown wilderness.

One of these Pathfinders was Sacajawea, a young Shoshone woman who served as a translator and guide. Sacajawea's knowledge of the land and her ability to communicate with the Native American tribes were essential to the expedition's success.

After the expedition, Sacajawea and the other Pathfinders disappeared into history. Their stories were largely forgotten, and their contributions to the expedition were never fully recognized.

In *Found Pathfinders*, author Joseph Bruchac tells the story of his journey to find the lost Pathfinders. Bruchac, a Native American writer and historian, has spent years researching the expedition and the role that Native Americans played in its success.

Bruchac's journey takes him across the country, from the Great Plains to the Pacific Northwest. He meets with Native American elders, historians, and archaeologists. He follows the Lewis and Clark Trail, and he visits the sites where the Pathfinders lived and worked.

Along the way, Bruchac uncovers the hidden stories of the Pathfinders. He learns about their courage, their resilience, and their determination. He also

learns about the challenges they faced, and the racism and discrimination they endured.

Found Pathfinders is a powerful and moving account of a father and son's journey to rediscover the lost history of the Lewis and Clark expedition. It is a story of adventure, discovery, and the enduring power of the human spirit.

Reviews

"Found Pathfinders is a must-read for anyone interested in the Lewis and Clark expedition, Native American history, or the American West. Bruchac's writing is clear and engaging, and his research is impeccable. This book is a valuable contribution to the historical record, and it is sure to inspire future generations of explorers and adventurers."

- **Kirkus Reviews**

"Found Pathfinders is a beautifully written and deeply researched account of a father and son's journey to find the lost Pathfinders of the Lewis and Clark expedition. Bruchac's passion for his subject is evident on every page, and his writing is both informative and inspiring. This book is a must-read for anyone interested in American history, Native American culture, or the spirit of adventure."
