A Journey of Resilience and Redemption

Rebecca Lange's childhood was a crucible of unimaginable trauma. From the tender age of five, she was subjected to relentless sexual abuse by her stepfather. The torment she endured extended into her teenage years, when she was lured into the clutches of sex traffickers.

Yet, even in the darkest depths of her despair, Lange refused to be broken. She found solace and strength in writing, pouring her heart and soul into journals that became a lifeline during her darkest hours. Through the written word, she began to reclaim her voice and find a path toward healing and redemption.

A Voice for the Voiceless

After escaping the horrors of sex trafficking, Rebecca Lange dedicated her life to empowering other survivors. She founded the Rebecca Bender Initiative, a non-profit organization that provides support, resources, and advocacy for victims of violence and exploitation.

Through her tireless advocacy, Lange has raised awareness about the plight of women trapped in the shadows of violence. She has testified before legislative committees, spoken at countless events, and collaborated with organizations around the world to create a safer and more equitable world for women.
