Founded in 1978, the Centre for Fortean Zoology (CFZ) has emerged as a global hub for the study and documentation of all things Fortean. Led by a team of dedicated researchers and enthusiasts, the CFZ has made extraordinary contributions to our understanding of unexplained phenomena, from anomalous animal behavior to enigmatic aerial sightings and beyond.

A Tapestry of Strange and Wonderful

The Journal of the Centre for Fortean Zoology, published annually, embodies the essence of the CFZ's mission. Within its pages, readers are invited to embark on an extraordinary journey through a curated collection of Fortean phenomena.

Prepare to encounter enigmatic creatures, such as the elusive Chupacabra, said to possess a thirst for animal blood. Gaze upon bizarre aerial phenomena, including unidentified flying objects (UFOs) and mysterious crop circles that defy explanation. Delve into the depths of cryptozoology, exploring the possibility of hidden animals like the Loch Ness Monster and the Yeti.

Beyond the realm of zoology, the Journal also ventures into the uncharted territories of folklore and mythology. Discover strange and wonderful tales of fairies, goblins, and other mythical beings that have captivated human imagination for centuries. Unravel the mysteries of psychic phenomena, exploring the boundaries of telepathy, clairvoyance, and precognition.

Science, Folklore, and the Unexplained

The Journal of the Centre for Fortean Zoology is not merely a collection of curiosities; it is a testament to the CFZ's unwavering commitment to bridging the gap between science, folklore, and the unexplained. The articles within its pages are meticulously researched, drawing upon a wide range of sources and perspectives.

CFZ researchers approach Fortean phenomena with a blend of scientific rigor and open-mindedness. They employ a multidisciplinary approach, combining zoology, anthropology, history, and folklore to unravel the

mysteries that lie before them. This unique methodology allows for a comprehensive understanding of unexplained events, fostering a deeper appreciation for the complexities of our world.

Preserving the Enigma

In an age where science and technology dominate our understanding of the world, the Journal of the Centre for Fortean Zoology serves as a vital sanctuary for preserving the enigma. It is a platform where the unexplained can be explored, discussed, and documented, ensuring that future generations will continue to marvel at the mysteries that lie beyond our current understanding.

A Call to Curiosity

The Journal of the Centre for Fortean Zoology is not just for seasoned Fortean enthusiasts; it is an invitation to anyone who possesses a thirst for the unexplained. Whether you are a curious seeker, an aspiring researcher, or simply someone who enjoys the thrill of the unknown, this journal will ignite your imagination and expand your horizons.

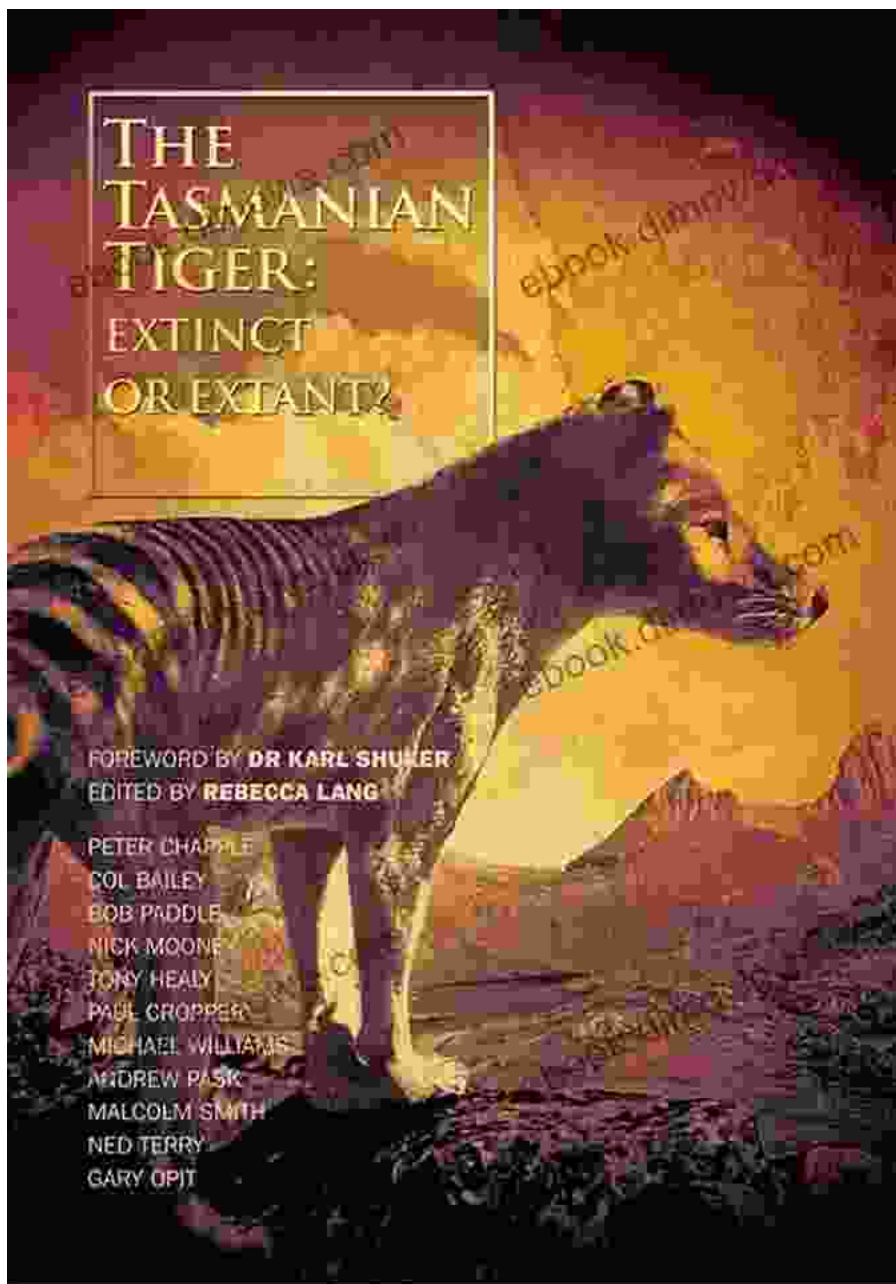

As you delve into its pages, you will discover that the world is far more mysterious and fascinating than you ever imagined. Embrace the allure of the unexplained, question the boundaries of what we know, and join the CFZ in their unwavering pursuit of the extraordinary.
