The 1960s and 1970s were a golden age for surfing. The sport was growing in popularity, and a new generation of surfers were emerging, who were pushing the limits of what was possible on a surfboard. The waves were bigger, the boards were shorter, and the surfers were more radical than ever before.

This book is a nostalgic look back at that era, told through the stories of the surfers who lived it. We'll hear from legends like Miki Dora, Nat Young, and Gerry Lopez, as they share their memories of the golden years of surfing.

We'll also take a look at the surf culture of the time, from the music to the fashion to the drugs. We'll explore the role that surfing played in the

counterculture movement, and we'll see how it has evolved over the years.

If you're a fan of surfing, or if you're just interested in a fascinating look back at a bygone era, then this book is for you.

## Reviews

"A must-read for any fan of surfing." - Surfer Magazine

"A nostalgic and insightful look back at the golden years of surfing." - The New York Times

"A beautifully written and evocative book that captures the spirit of a bygone era." - The Guardian
